

SemanticAfrica Fulbe Cultural Heritage & Civilization. Dataset, Knowledge Base, Vocabulary, Domain Ontology.

Fulbe, from 10,000 B.P. (domestication of the cattle) to the 19th century, including the Arab-Muslim invasion, hegemony & slavery (from the 9th cent.) and the European exploration, transatlantic slave trade, colonial conquest and domination (from the 16th cent.) The mind-mapping diagrams of those two aspects will be published separately. — [Tierno S. Bah](#)
